Palm Desert Country, Palm Desert,

*** This home is Virtually Staged*** Welcome to 43005 Massachusetts Court, located at the end of a quiet cul de sac with amazing views of the 18th fairway, ponds, and our gorgeous Santa Rosa mountains. This midcentury home features 2 bedrooms, both with their own en suite bathrooms, an open great room living room combo, with a dining area off the kitchen, and a full bathroom in the hallway. The square footage for the home is 1,417 sq ft, while the lot size is 6,970 sq ft. The primary suite is one of the largest I have ever seen for a midcentury home in this community. The Primary Suite has its own fireplace and is large enough for a small office area as well as a peaceful sitting/lounging area. The guest room is a good size and has its own private en suite, perfect for guests. The kitchen was updated with newer counter tops and a tile backsplash, and there is neutral tile flooring throughout. The lot here is large enough to build your own custom pool and spa. This home is ready for you to make it your own! HOA dues are only \$398 per year. The golf course and clubhouse are open to the public and about a five minute walk from this home. The community pools, gardens, and playground are less than 3/4 of a mile in the other direction. Centrally located for all your needs, shopping, and dining on El Paseo. Schedule a private showing today and transform this darling home into your very own desert oasis! There are NO short term rentals under 28 days allowed in this community.
