Warm Sands, Palm Springs,

Step into a property that blends rich history with modern design. Originally an army barracks during WWII, this versatile space has served as a church, a dance studio, and, in its current form, a stunning, open-concept loft. In 2016, the space was thoughtfully redesigned. The layout is wide open with no interior doors or hallways, making it an ideal choice for anyone with mobility challenges, including those using a scooter or wheelchair. Situated in the hip, historic, and centrally located Warm Sands neighborhood, this fully furnished home offers a peaceful, retreat-like atmosphere, while being just a short walk from downtown Palm Springs. The interior features a spacious gourmet kitchen, dramatic wood trestle ceilings, Italian porcelain tile flooring, clerestory windows, recessed stainless steel baseboards, and other high-end finishes. The adjacent casita offers a private bedroom, half bath, and an outdoor shower. The outdoor area is an entertainer's dream, with a newly designed pool featuring a calming waterfall, a jacuzzi spa with mood lighting, and multiple cozy seating areas. A raised patio deck invites you to take in the stunning views of the San Jacinto Mountains year-round. The private backyard also includes a pool, outdoor shower, gas fire pit, fireplace, and plenty of room to relax or create. This home offers owned solar, a water filtration system, and is vacation rental-ready (subject to permits). It is situated on fee land with no HOA fees!
