Magnesia Falls Cove, Rancho Mirage,

Situated in Rancho Mirage's picturesque, elevated Magnesia Falls Cove neighborhood, this home has been remodeled "down to the studs" and offers incredible mountain views. Enter to a light and bright interior with smooth drywall throughout. To the right of the entry there is a step-down living room, perfect for entertaining friends and family. The open concept kitchen showcases stainless appliances, plenty of storage, a large island with seating and an oversized "margarita window" for a seamless flow to the backyard and a striking mountain view. The generously sized backyard houses a huge sparkling pool and spa, which had also been totally re-imagined and vastly improved during the recent renovation. The tranquil primary bedroom boasts pool access and an en-suite bath, also with great views. Two guest rooms offer plenty of room for visiting guests and / or an in-home office. All of the work done to this home was completed in 2022-2023, which included everything from electrical, plumbing, flooring, windows, doors and more. Other highlights include: 2-car garage, large laundry room with beverage cooler and deep freezer, multiple patio areas, bocce ball court in the private, giant front yard, and no HOA!
