N/A, Palm Springs,

THE BEST DEAL IN MIRALON. \$799,999 for this newer construction Aura Plan 1 from PLC Homes. You haven't seen a deal this sweet since pre-COVID. Seller says sell, so we gave this one a price you can't refuse. The last three Plan 1s sold for \$919,000, \$975,000 and \$1,050,000. One of the most popular floorplans in Miralon, the Plan 1 features soaring ceilings, great indoor/outdoor flow, all ensuite bedrooms plus powder room, and very cool midcentury inspired bones. This home features several owner upgrades (wall treatments, built in master closet system, artificial turf) but is largely a clean slate for your personal touches. The location is solid--directly across the street from the original models and slightly elevated which offers increased privacy and mountain views from the primary suite. The kitchen has bright white counters and cabinets with high end Bertazzoni range and hood. Vacation rental permits are still available in this neighborhood (with a community rule of a 7-night minimum stay). Miralon features over 7 miles of walking paths, u-pick garden, 3 dog parks, a beautiful clubhouse with a full-service bar, demo kitchen, yoga studios and a nicely outfitted gym with incredible views. If you've been considering Miralon, but are waiting for a good deal, act fast. This is it.
