Old Las Palmas, Palm Springs,

Welcome to The Twelve At Old Las Palmas, a unique enclave of twelve luxury residences nestled in the most sought after neighborhood of Palm Springs. Downtown living meets old world elegance in this new construction community surrounded by some of the most important estate homes in the desert. Walkable to the best shops and restaurants on Palm Canyon Drive. One of the most seasoned developers in the desert with decades of experience aligned with Michael Walters of Dakota DesignWorks to create this small collection of sophisticated yet casual, and ultimately very livable homes. The first phase - AVAILABLE NOW - features three FULLY DETACHED residences. Unit 1 (181 Pena Lane), the crown jewel of the community, sits directly on Camino Norte and enjoys unobstructed mountain views and the largest yard and pool in the community. Unit 2 (183 Pena Lane) and Unit 3 (185 Pena Lane) also share no walls with their neighbors. All three feature spectacular, fully outfitted roof decks with outdoor kitchens, lounging areas with fireplace and private elevators. Views are simply magnificent -- a sea of palm trees and Mt San Jacinto above the estates of Old Las Palmas. Each home has its own dipping pool. The design details are extraordinary and luxurious throughout, including fully pocketed glass sliders, solid wood doors, high end appliances and custom metalwork. The Old Las Palmas location is unparalleled. The opportunity to enjoy a low maintenance, high

end, new construction home in this location is unique. The community areas are as tailored and curated as the homes, with cobble streets and architectural details which fully enclose the community and create a world apart, just steps from the activity of downtown Palm Springs.
