Reduced to fabulous value!!! This beautiful custom home is located in a popular South Palm Desert neighborhood close to the restaurants and shops on El Paseo. Photos do not do this home justice, you must see for yourself the incredible craftsmanship and luxury materials. Built in 2005, the interior centers around a great room and gourmet kitchen. A large "Boos" brand butcher block slab is built into the granite island, appliances include a Viking range, Signature refrigerator-freezer, and custom cabinetry, all catering to the serious home chef. Adjacent to the kitchen, the dining area has views to the private gated courtyard. Each bedroom has its own bath as well as private outdoor access. The third bedroom currently serves as an office, but could be easily converted back. A home built for easy entertaining, the loggia extends across the back of the house and adds a resort feel as it overlooks a lap pool, spa, and large gazebo. Lush fruit trees line the side yards. The home's curb appeal is impressive with a half-circle driveway adjoining a longer drive accessing additional RV/boat parking behind a gate. Garage One can house 2 large/3 small cars and has AC and storage galore with immediate access to the home. Garage Two is oversized and can easily be converted to a 4th ensuite bedroom or attached casita as it is wired with 220, has AC and is plumbed and ready for conversion. Did we mention the newer, owned Solar which handles almost all your electric needs? Easy

to show.
