Desert Crest CC, Desert Hot Springs,

Owning the land is a real plus with this 2BD/2BA home. The primary Bedroom has a ceiling fan and has enough room for a king size bed. The lovely dining room has built in cabinetry and looks out toward the front yard. Total privacy with completely fenced front and back yard. This light and bright (lots of windows) home provides a great location for gardening with so much yard space in both front and back of house. In fact, by repositioning a portion of the fencing, it would be possible for RV parking in the front. The AC is only two years old. Located in Desert Crest Country Club, we enjoy a spring fed MINERAL pool and hot tubs. We have a gym area as well as saunas. There is a par three golf course and recreation room with adjoining kitchen, etc.

Built in 1972
