3 Bedroom, 3.00 Bathroom, 1,954 sqft
Residential on 1 Acres

Not Applicable-1, Anza,

Enjoy being tucked away in a quiet and peaceful location just off paved Mitchell Rd. This property has so many great features and is close to schools and town. The first impression is of solid build block construction. The home is a split level with the main home consisting of 2 bedrooms each with their own sliding door access to the outside. Master bedroom has his and her closets, bathroom, and a handicap ramp adjoining the sliding glass door. The living area connects to a nice open kitchen with vaulted ceilings boasting stately wood beams. A cozy wood stove is next to the opening of a great covered rooftop patio overlooking the property. Down the steps outside you will gain access to another very large room for a 3rd bedroom or many other possibilities. This room has a bathroom just across a breezeway and connects to the oversized 2 car garage. There is also a separate cedar paneled laundry room with spanish tiled floor that can house a spa and has hookups. Outside, the property is fully fenced. There are storage sheds, nice shade redshank and pine trees, and a park-like atmosphere. Come taste a little bit of country and bring your animals to enjoy this over one acre of usable land.
