4 Bedroom, 2.00 Bathroom, 2,285 sqft
Residential on 0 Acres

Not Applicable-1, Hemet,

Well, here it is, that great 4-bedroom house in a desirable neighborhood that needs a little love. Move right in and renovate it over time just the way you want it. With 4 bedrooms and 2 full bathrooms in nearly 2,300 sf of living space what could you do with this home? The master features his and her closets with a private bathroom. The master bath has a jetted tub perfect for relaxing after a long day. The family bathroom features a double sink vanity, so the kids can have their own space during those hectic mornings. The large living room features a cozy fireplace and wood floors. The big country kitchen offers 3 ovens! Wow that will change your thanksgiving feast! There is also a built-in microwave, deep pantry and so many auxiliary cabinets you'll have fun trying to fill them all! The seller says that the roof and the AC were installed about 4 years ago. The water heater and water softener are even newer than that! Oh yeah there is a water softener, goodbye frizzy hair and spotty dishes! This home features a fabulous layout. The central family space works great for large family get togethers, but then you have the master on one side and the 3 family bedrooms on the other so everyone get's their privacy. With a paint brush, bush trimmer and your imagination, you can make this home something you could be really proud to own.
