The Hideaway, La Quinta,

Welcome to one of the most remarkable properties in the prestigious Hideaway community of South La Quinta. Perhaps one of the largest and most private residences in the entire community, this 20K sq ft lot expands into acres of unobstructed southwest facing mountain views. With no other homes in sight from the interior view, this residence provides what is unparalleled privacy that is unique and will remain forever. The property has been transformed by the current owners over the last 12 years, expanding the initial lot through a land purchase from the club in 2014 and then subsequent work over the years has resulted in what can only be described as exposing a previous diamond in the rough. Positioned on the 16th hole of the Clive Clark course, this home is perfectly positioned at the end of a rare single lined cul-de-sac. This 5-bedroom, 5 1/2-bathroom residence all on one floor, features dual master suites, a fully enclosed courtyard entry that sets the tone for the refined living within. The interior showcases timeless architectural details including arched doorways and a modern wood coffered ceiling in the great room. A recent complete re-model blends classic Hideaway style with a modern flare, the result is a true turnkey opportunity for those looking for something special. Wall-to-wall pocket doors seamlessly connect indoor and outdoor living, leading to a sprawling covered patio with a built-in outdoor grill, firepit, and fireplace. The resort-style backyard is a true

desert paradise, featuring a 40 ft pool with an elevated spa and baja shelf that leads to a perfect setting with a special view. The updated rear of the property is accentuated with fire features both at the pool's edge and an elevated outdoor entertaining area with firepit. Adjacent to the firepit is your own lighted bocce ball court. The property has a professionally designed outdoor sound system encompassing buried subwoofers and 16 speakers for an unparalleled and private listening experience. 53731 Via Mallorca, a rare and refined offering in one of the desert's most exclusive enclaves--this is Hideaway living at its finest.
