Not Applicable-1, Idyllwild,

Welcome to "Rock Pine", where towering pines and manzanitas paint the quintessential San Jacinto landscape. Step through the original Dutch door and you're greeted by soaring vaulted ceilings and a space big enough to kick off your boots and do a dance! The living room centers around a striking rock fireplace, framed by charming, original cabin windows that let the outdoors in. The kitchen has been thoughtfully remodeled, featuring subway tile, butcher block countertops, slate tile floors, and lovingly preserved vintage appliances. The dining area is spacious enough to host all your friends and family for cozy gatherings. Step through the French doors onto a freshly painted deck, where pines, manzanitas, and the gentle sounds of a seasonal creek create the ultimate mountain escape. The bathroom blends style and function with a new vanity, slate tile, and added storage. Vaulted beam ceilings extend from the living through both bedrooms, with the primary bedroom offering French doors to the deck and the second bedroom perfectly sized for guests or a cozy home office. Kick off your boots, sip your coffee, and let the mountains do the rest!
