Residential on 0 Acres

Sunmor, Palm Springs,

Midcentury architectural gem on an oversized lot with large casita! Located in the sought after midcentury neighborhood of Sunmor, surrounded by highly designed midcentury properties. A very private enclave perfect for walking and biking, but also minutes from downtown. Five bedrooms in total, one serving as the perfect home office, three in the main house, and one in the casita, which also features a full kitchen! Beautifully updated to showcase classic midcentury details -- post and beam construction, floor to ceiling plate glass, warm organic tongue and groove ceilings. Exceptionally large main entertaining space for a house of this style. Lush, mature landscaping, with a recently updated pool and hardscape. Backyard is fully walled and driveway features a motorized gate for privacy. 35 panels (8.575 kW) of fully owned solar. The street presence is iconic, and the pedigree is purely Palm Springs.

Built in 1959
