Tamarisk West, Rancho Mirage,

Sophisticated style, high-end appointments and an enviable sense of privacy define this newly reimagined and upgraded Rancho Mirage home. Now the preeminent residence at Tamarisk West, the detached single-level design was taken down to the studs and rebuilt as a modern showplace that is equally adept at accommodating grand entertaining and relaxed daily living. Illuminated by a skylight, the foyer introduces a free-flowing floorplan of approximately 2,958 square feet that presents two ensuite bedrooms, two- and one-half baths, and a retreat-caliber library with custom built-ins and private bath. Floor-to-ceiling windows and sliders create a wall of glass in the living room, where a step-down wet bar features a stylish countertop and built-in Sub-Zero beverage refrigerator. The dining room is impressively sized and opens to both the backyard and a new custom kitchen. Pro and novice chefs alike will appreciate an island with raised butcher-block prep center, a walk-in pantry, black wood cabinetry, large garden window, Caesarstone countertops, and top-tier appliances including a built-in cabinet-matched Sub-Zero refrigerator. Guests will appreciate the comforts of a large secondary bedroom with skylight, built-in desk, walk-in closet and private bath, and homeowners can escape to an elegantly modern primary suite. Enjoy two open walk-in closets with custom built-ins, and a seamless bath with freestanding tub, two sinks, quartz countertop, and a dual-head

shower with slider to the backyard. Air conditioning and epoxy flooring enhance the attached two-car garage, and a brand-new custom laundry room boasts a sink and ample cabinetry. Owned solar helps power the home, which reveals interiors by Seattle-based Lucas, an award-winning design studio. Custom details include wide-plank white oak flooring, high ceilings, mitered corner windows in select locations, wood slat wall treatments, designer lighting and wallpaper, and preferred plumbing fixtures and hardware. All new plumbing and electrical systems ensure years of efficiency and convenience. Backing to the Tamarisk Country Club golf course, grounds are enriched with a new pool and spa, new large-format tile decking, a built-in BBQ station and modern landscape lighting. Mountain views embrace the home, which is located on fee land with no lease and close to hiking trails, golf, and fashionable dining and shopping destinations throughout Rancho Mirage, Palm Springs and Palm Desert.
