Charming Remodeled Cabin with Spectacular Mountain Views. Perched on a hill with breathtaking views of the Gold Mountains, this beautifully remodeled cabin captures both sunrise and sunset in one of Big Bear City's most desirable neighborhoods -- Poets Corner. Inside, the home has been fully redesigned with professional touches throughout, featuring tobacco acacia hardwood and slate stone flooring, an updated kitchen with stainless steel appliances including a wine fridge, dishwasher, and black galaxy granite countertops with a black granite sink and disposal. The laundry closet includes a new stackable washer and dryer with built-in storage. There are two bedrooms -- a primary with a king bed, and a guest room with two queens, both equipped with blackout blinds for comfort and privacy. The floor-to-ceiling rock fireplace creates a warm, cozy atmosphere while framing the stunning mountain views. The cabin also features central forced heat with Smart controls and a new water heater (installed 2025). Outdoor living shines here, with multiple spaces to relax and entertain -- a front balcony for morning coffee, a side patio for outdoor dining, and a private back and side yard complete with a spa and fire pit. From every angle, the views are nothing short of spectacular. Truly a must-see mountain retreat.
