PGA Legends, La Quinta,

Welcome to a newly reimagined residence in the prestigious PGA West Summit Estates, perfectly positioned to capture Iconic Amen Corner views--the legendary vantage point overlooking the triple fairway, shimmering lake, and dramatic southwestern mountain backdrop. This semi-custom estate has undergone an extensive, top-to-bottom luxury renovation, elevating every space with refined materials, designer finishes, and a fresh contemporary aesthetic. From the moment you step into the private gated courtyard, the home reveals an atmosphere of modern serenity. Inside, soaring ceilings, expansive walls of glass, and elegant architectural lines frame panoramic fairway and mountain vistas, creating a seamless connection between the interior and the stunning outdoor setting. The full interior remodel showcases a sophisticated palette and exceptional craftsmanship throughout. Upgrades include all-new interior paint, beautifully updated flooring, new bathroom designs with premium plumbing fixtures, sinks, toilets, lighting, illuminated mirrors, custom glass shower enclosures, and a luxurious freestanding soaking tub in the spa-inspired primary bath. The kitchen and bar areas shine with Taj Mahal slab countertops, new refrigeration systems (kitchen fridge, wine cooler, and bar fridge), a new microwave, and a completely redesigned island with striking modern lines. Both the family room and primary suite now feature custom-built entertainment centers, complementing the home's sleek new

lighting, recessed LED can fixtures, and contemporary ceiling fans. Additional enhancements include new carpet in all bedrooms, updated window shades throughout (both motorized and manual), and thoughtfully upgraded Moen water-leak detection for peace of mind. The living room centers around a magnificent Creme de Provence limestone fireplace surround, a sculptural focal point that elevates the entire space. A newly redesigned bar adds sophistication and convenience for entertaining, while new AV systems, professional Ring cameras, and a fully monitored security system provide modern functionality and security. Outdoors, the transformation continues with new pool and fountain equipment and beautifully refreshed exterior landscaping featuring new plantings and rock accents.
