Residential on 0 Acres

N/A, Simi Valley,

Step into the epitome of modern sophistication with this beautifully updated single-story home, featuring three cozy bedrooms and two stylish bathrooms. Situated on a large double lot, this property offers breathtaking mountain views and is ideally located near parks and hiking trails, perfect for outdoor enthusiasts. Inside, experience a seamlessly connected environment with top-of-the-line updates completed in recent years: new flooring throughout (2021), a high-efficiency A/C system (2020), a water heater (2021), and freshly installed windows and doors (2023). The smart home technology includes a garage and front door system that responds to both Alexa and Google Home commands, alongside security enhancements like a comprehensive camera system and entry options via key fob, biometric, or pin. The kitchen is equipped with modern appliances, including a 2023 LG ThinQ smart-enabled washer and dryer, setting the stage for ultimate convenience. Each room is wired for Ethernet Cat 7, catering to tech enthusiasts and ensuring ultra-fast internet connectivity. Outside, the vast space invites limitless possibilities for leisure and expansion. There's ample room for RV parking, and the double-sized lot provides plenty of space to add a pool and an Accessory Dwelling Unit (ADU), offering potential for personal enjoyment or additional income. This property is not just a house; it's a lifestyle choice for those seeking a blend of

luxury, technology, and natural beauty. Make this smart, sophisticated home yours and live the life you've always dreamed of, surrounded by stunning scenery and modern comforts.
