Nestled in a forested oasis is this amazing 4 bedroom, 4 bath home with a two-story guest house, pool, spa and park-like grounds. You'll be welcomed home each day to the peacefulness of this setting and the architectural style that mimics the Carmel Valley; there's simply nothing quite like this home in the surrounding area. With glistening sunlight through the trees, the trickle of the waterfall cascading down the hill and the songs of the birds, you can unwind each day and escape the stresses of everyday life. From the top of the gated drive, a winding brick staircase guides you from the detached garage down to the front entry. The main house is one level and is designed with ease of flow in mind. The living areas are all expansive with vaulted ceilings and a two-sided central fireplace that spreads the warmth to both rooms. A central kitchen at the heart of the home overlooks a private courtyard on the front of the property and it is just waiting for the modern touches of your imagination. The Primary Suite is separated from the other bedrooms and enjoys a sitting area with fireplace and built-in custom display cabinet and huge walk-in closet. If you're an artist or musician, this home's allure will not disappoint. The guest house is complete with upper-level living area, kitchenette, dining area and full bath. It could also be modified and used as an ADU or music studio. All secondary bedrooms are generous sizes with high ceilings and built-in closet inserts. Step

into paradise at the rear of the home where your private gardens and lounging areas await. A pebble finish pool is the jewel of the yard, surrounded by concrete decking, and high-quality artificial turf just perfect for children's play area, picnics, or even a garden wedding. Sneak away into the gazebo and linger with a good book or your favorite music, or wander to the upper level and soak in the spa before heading off to bed.
