A beautiful hand painted mural in the niche above the griddle adds charm and ambience. The adjoining family room showcases built-in bookshelves and European finished drywall. Step into the adjoining game room and enjoy a game of pool or perhaps some refreshments from the wet bar! You will enjoy the updated, newer electrical throughout the home that gives you multiple lighting options. Spacious bedrooms greet you, along with an office large enough to accommodate multiple people. The primary suite is much to behold with a fireplace, ceiling fan, elevated TV, dual vanity areas, separate shower, jetted tub, arched ceiling, built-in storage area and a spacious, mirrored, custom closet. Not to be missed is the downstairs art studio! This large area is currently an active art studio with 1/2 bath, work areas, kitchenette and multiple storage areas. It has its own private entrances, patio access and wonderful views from double French doors and windows, which provide abundant natural light.

There are storage areas and parking spaces outside the studio. This area could be an ADU, workout area, wine lounge, in-law suite or it could stay in its present use! The lot is zoned for horses but there are no facilities at the property. No HOA or HOA fees in this custom area.
