Stunning View Property in Westlake Village with Seamless Indoor-Outdoor Living Perched on a private, lot in the coveted Foxmoor Hills neighborhood, this exquisitely remodeled 4-bedroom, 3-bathroom home offers one of the most breathtaking, unobstructed views of the mountains available in all of Westlake Village. With no neighbors directly behind and only gentle birdsong in the air, the home offers unmatched tranquility, privacy, and a true sense of retreat--while still being just minutes from shops, dining, and top-rated schools. Every inch of this home has been thoughtfully redesigned to celebrate indoor-outdoor living. From the expansive open-concept kitchen to the beautifully appointed living spaces, the layout flows effortlessly into the resort-style backyard. Sliding doors invite you to step outside into a custom sanctuary featuring a new Pebble-Tec saltwater pool and spa, a remote-controlled pergola with louvered roof, built-in heaters, lighting, and motorized screens--perfect for al fresco dining and sunset lounging all year round. The backyard is further transformed by a meticulously curated Japanese garden, designed and installed by a third-generation Japanese landscape architect. The garden showcases rare, hand-selected trees and plantings, creating a meditative space that invites stillness, beauty, and connection with nature. Every element, from the stone pathways to the layered plant palette, was chosen with intention and care. Additional

outdoor features include a 6-person remote-controlled Scandinavian sauna, a sleek outdoor shower, custom landscape lighting, a built-in speaker system, and a brand-new wrought iron perimeter fence with gated entry. The front and back yards were completely reimagined with new irrigation and drainage systems, elegant hardscaping, and vibrant, sustainable plantings. Inside, the home blends modern design with thoughtful upgrades: a fully finished laundry room with new washer/dryer, Lutron smart dimmer lighting, a Ring security system, and a Moen Flo water monitoring system. The gourmet kitchen has been enhanced with an Insta-hot tap, water filtration, new fixtures, and updated cabinetry. Designer window treatments include remote-controlled, programmable blinds in the primary suite for added ease and comfort. As an added opportunity, the home may be sold fully furnished. Many of the pieces were custom-fitted for the space, offering a move-in ready, design-forward lifestyle for the most discerning buyer. This is more than a home--it's a private retreat, a place to breathe deeply, and a true celebration of California living at its best.
