With the rear of the home facing east, you'll wake up to golden sunrises each morning, enjoyed from your serene patio or the exquisitely built OUTDOOR KITCHEN and entertainment space. Inside, the home is rich with character--hardwood floors, Belgard stone-accented walls and knotty Alder accents flow throughout, from the cabinetry to the door casings. Anlin dual-pane windows flood the space with natural light while maximizing energy efficiency, and Andersen French doors offer a seamless transition between indoor comfort and outdoor living. The kitchen is a chef's dream, featuring raw thick-cut granite countertops, a Sub-Zero fridge, Wolf gas range and drawer microwave, custom copper farmhouse sink, trash compactor, and even

custom wine racks. Limestone backsplashes and Caesarstone counters, paired with high-end fixtures, add a refined touch to both the kitchen and bathrooms. The master suite is a true retreat, with vaulted ceilings, natural wood wall coverings, and stacked stone features. The spa-like master bath is nothing short of a sanctuary, offering a picture window view of the golf course from the shower and soaking tub, along with knotty Alder cabinetry, stone walls, a walk-in limestone shower, dual vanities under a copper-inlay ceiling, and a spacious walk-in closet with built-in organizers. The show-stopping outdoor kitchen features Bull appliances, a built-in clay pizza oven and television--perfect for entertaining under the stars. Just steps away, unwind beside a custom-designed pond and cozy firepit. Additional highlights include a tankless water heater, water softener, newer Trane furnace, Multi-pure water purification system in the kitchen, indoor laundry room, and a spacious three-car garage. The exterior is equally stunning, thoughtfully landscaped with olive trees and lush greenery, complemented by tastefully installed pavers and a charming walkway that completes the Mediterranean-inspired aesthetic of this unforgettable home.
