Monaco - MONC, Oak Park,

This beautiful home in the Monaco Development of Oak Park shows impeccably well! Located in a coveted Ventura County neighborhood close to Red Oak Elementary School, it's one of very few two story homes in the area with a first floor primary (ensuite) bedroom. The high ceilings, natural light and abundance of windows and French doors add interest and desirability to this gorgeous property. The home features many special upgrades - custom millwork encases the bar area and balcony, upgraded light fixtures and recessed lighting are located throughout, curved wrought iron balusters grace the stairs, ceiling fans are located in the great room and bedrooms, and built in cabinetry is conveniently found in the loft. Maple flooring, newer carpet. French doors in the primary bedroom and great room make indoor/outdoor living second nature. The floor plan is very functional and includes an eat in kitchen area as well as a bar area and dining area. The living room/family room combination is very inviting, spacious and open. The second floor features two bedrooms, a full bath and a loft which can be an office area, play area or whatever you'd like! Indoor laundry. No HOA. The backyard is peaceful and the gardens are lovely. This home has obviously been amazingly maintained - come take a look for yourself!
