

\$1,099,900 - 23248 Community Street, West Hills

MLS® #225002593

\$1,099,900

3 Bedroom, 2.00 Bathroom, 2,382 sqft

Residential on 0 Acres

N/A, West Hills,

Discover this single-story 3 bed 2 bath PLUS BONUS ROOM (currently being used as additional living space) home located on the tranquil Community Street in the highly desirable West Hills. Zoned to top rated schools in the area; this property hasn't been on the market for over 60 years. The home's charming exterior has great curb appeal-with a sizable front yard. An expansive driveway provides you with comfortable parking for up to 4 vehicles having clear in-out access. There is availability for RV parking. The home also includes an attached two car garage with further parking space, storage, a workshop, or the possibility of conversion to a separate unit. This home has endless potential with the opportunity to convert the 400 sq. ft. great room into an ADU at a reasonable expense. The room's existing bar has water lines readily available. The great room also includes a 200 sq. ft. enclosed patio, offering bonus square footage of living space. Not to mention, this generous 0.25 acre lot gives you more possibilities to build another detached ADU or grand pool area. The property comes with many fruit bearing trees surrounding the home, including pomegranates, oranges, peaches, green and purple figs, persimmons, white grape vines, and artichokes. The backyard also has a shaded patio area and in-ground gas fire pit, making it a fabulous area for entertaining or spending time relaxing. Stepping inside, you find timeless design features with real hardwood oak floors and tile

in the bathrooms and kitchen. The spacious primary bedroom provides ample natural lighting and gold finishes in the ensuite bathroom. The formal living room and great room each have gas fireplaces that can be lit to create a cozy setting. The two additional bedrooms are located on the opposite side of the home, which provides additional privacy and a noiseless environment. The kitchen offers a classic design. Throughout you will find pitched ceilings which take advantage of the shape of the roof and provide additional lighting and better ventilation. This home is packed with unique features that photos and a description alone just can't do justice. A true must-see to appreciate!

Built in 1963
