Flooded with natural light, this home features wall-to-wall windows in the open, spacious kitchen that can accommodate any layout your heart desires. The kitchen includes a flat-top electric stove/oven, microwave, and dishwasher for easy cooking and cleanup. You'll love the look and feel of the brand new luxury vinyl flooring throughout which is a breeze to clean up and will withstand spills and kid/pet chaos. This model has been seen with an added half bath, offering future potential for customization to fit your needs. There are two wall AC Units that efficiently and sufficiently keep this little home cool when the heat waves come. The wide side yard provides great space between neighbors and could be ideal for RV storage. The yard is big enough for your dream pool/bbq resort layout but not too big to maintain; there is also a nice lemon tree and a fruit (??) tree. All this, conveniently located in the heart of Simi Valley, close to parks, shopping, dining, schools, and freeway access. Don't miss your chance to get into a great neighborhood at a great price!
