N/A, Agoura Hills,

Located at the end of a peaceful cul-de-sac in highly sought-after Morrison Ranch, this 4-bedroom, 2.5-bath home (approx. 2,620 sq ft) offers space, privacy, and the kind of indoor-outdoor living that defines the Agoura Hills lifestyle. The opportunity? It's ready for your vision. The result? A truly special home with incredible potential. The floorplan is exactly what buyers want: large open living spaces, all flowing naturally to a backyard built for entertaining. The formal living room welcomes you with soaring vaulted ceilings and warm wood-like floors. Unique terra cotta tile brings a touch of character throughout the main level, while French doors from the dining room and sliding glass doors from the family room/kitchen create seamless access to the outdoors. The kitchen already features granite counters and newer stainless steel appliances -- ready for a quick refresh with paint and new hardware. Upstairs, four spacious bedrooms feature wood-like flooring for a clean, modern feel. The primary bedroom includes a custom built-in walk-in closet -- a thoughtful upgrade for everyday living. Step outside, and this is where the lifestyle shines. The backyard is designed for entertaining and relaxing alike: Pebble Tec pool + spa with cascading waterfall, built-in BBQ with dining bar, multiple social areas for lounging and gathering -- all surrounded by mature landscaping and complete privacy. You'll also enjoy a collection of fruit trees and bushes, including an apple tree, blueberry bush, lemon tree, and plum

tree -- perfect for a touch of farm-to-table living at home. Additional highlights include owned solar (say goodbye to high electric bills), dual-pane windows, and two newer air conditioning units for year-round comfort and efficiency. All of this in an unbeatable location within the award-winning Las Virgenes School District -- including the highly sought-after Blue Ribbon Willow Elementary School -- plus easy access to local parks, shopping, dining, and all that Agoura Hills has to offer. Yes, this home needs a little love. But with its great floorplan, incredible backyard, and premier location on one of Morrison Ranch's best streets, it's a rare chance to create your dream home and embrace the lifestyle that comes with it.
