N/A, Moorpark,

WOW! Reimagined and expanded with a fully permitted bonus room, this turnkey 3 bed, 3 bath home on a peaceful cul-de-sac combines modern upgrades with abundant flexibility and curb appeal. From the moment you arrive in this peaceful neighborhood, the property delivers with a soaring living room ceiling anchored by a warm fireplace, and an open main floor that invites entertaining or easy daily life. The eat-in kitchen features updated appliances and offers direct access to the two-car garage. A downstairs powder room and multiple living zones include a formal living room, dining space, and cozy family/game area add to this home's versatility. But the star is the thoughtfully reimagined, fully permitted addition: currently either a bright kids' game room, oversized home office, or guest suite. It imparts real bonus square footage, while still leaving a great backyard and patio area. This could make an outstanding in-law space. Upstairs you'll find the expansive primary suite with dual sink vanity, walk-in closet, and a shower/tub combo. Two nicely sized additional bedrooms are served by a renovated full bath. Newer dual pane windows throughout keep things efficient and bright. Step outside to a large yard planted with blooming gardens and space to unwind or entertain. Residents of this neighborhood also enjoy a community pool and spa plus easy access to shops, schools, parks, and highways. Don't miss your chance to tour this freshly enhanced Moorpark beauty.
