Residential on 0 Acres

N/A, Thousand Oaks,

Welcome to this fabulous single story residence, thoughtfully renovated with designer finishes and a bright, open layout. Every detail has been carefully curated, from the French oak engineered hardwood floors to custom lighting and plantation shutters. The chef's kitchen impresses with stainless steel appliances, a professional-grade range, spacious center island with butcher block countertop, and crisp white cabinetry with glass-front accents. It connects seamlessly to the dining and living areas, where French doors lead to the backyard and a striking fireplace creates a cozy focal point. The primary suite is a peaceful retreat with abundant natural light, while the updated bathrooms showcase modern tilework, sleek fixtures, and frameless glass shower doors. Additional features include recessed lighting, raised foundation construction, and a whole-home water filtration system. Step outside to a private backyard oasis designed for entertaining and relaxation. Dine al fresco beneath the shade of mature trees, gather around the fire pit on cool evenings, or enjoy the natural landscaping with room to garden and play. This home offers the perfect combination of sophisticated updates and easy single level living, embodying classic California charm with a modern touch.
