4 Bedroom, 2.00 Bathroom, 1,949 sqft
Residential on 0 Acres

N/A, Simi Valley,

Tucked at the end of a quiet cul-de-sac, this highly desirable single-story home offers exceptional privacy and beautiful views. Home needs work and repairs. Ready for your imagination with design and remodel. The elevated lot features charming curb appeal with blooming rose bushes and a welcoming entry. Inside, you'll find high ceilings, a spacious open layout with a large family room and main living area. The kitchen includes a center island, granite counters, and plenty of storage. A conveniently located bedroom off the main living space adds flexibility for guests or a home office. The thoughtful floor plan separates the guest bedrooms and bath from the master suite, providing comfort and privacy. One guest room has been expanded to create a junior master-style suite. The primary suite, located at the back of the home, features dual vanities, shower and bath and an oversized walk-in closet. Additional highlights include a NEW GENERAC system, an indoor laundry room and an oversized two-car garage with ample storage. Enjoy outdoor living under the covered patio or in the enclosed sunroom, surrounded by a peaceful and private backyard setting. This home combines space and comfort and ready for you to create new memories.

Built in 1999
