5 Bedroom, 5.00 Bathroom, 4,300 sqft
Residential on 2 Acres

Del Mar, Del Mar,

STUNNING MODERN RETREAT nestled into the hillside in one of the most sought after western Rancho Santa Fe locations. This 2.21 acre property has all of the perks of living in the RSF covenant (golf club access, security patrol, use of trails, etc) yet is located just minutes from fine dining, shopping, freeway access, and coastal Del Mar & Solana Beach. The 4,300 sf 5BR / 5BTH home was originally built in 1983 but was COMPLETELY REMODELED in 2023. The home features European white oak wide plank flooring, a brand new gourmet kitchen with top-of-the-line appliances (Wolf / Sub Zero), new bathrooms throughout, a spacious 3-car garage, built-in sauna, and a roomy open floor plan with a great layout for families. The yard space was completely re-imagined in 2024 and a brand new roof was added in 2024 as well. There is also an additional bedroom on the lower level that would be perfect as a live-in nanny or Au Pair's quarters. The Primary Suite features a cozy fireplace, a balcony overlooking the lush landscaping, and separate "his" & "hers" bathrooms and walk-in closets. This home has been re-built from the inside-out and feels like new construction. Nothing left to do but pack your bags and move-in. An incredible home, a serene setting, and an unbelievable location. This one won't last.
