N/A, Malibu,

With loads of privacy, sweeping canyon and mountain views, and ample room for indoor/outdoor living and entertaining, this Malibu Park compound combines the bright, open feeling of mid-century style with a casual surf-ranch atmosphere. Located above Zuma on a gated, approximately 1.46-acre cul-de-sac lot, the property has a main house, a detached guest house, a pool house, a separate gym, a pool and spa. The single-level main house has a spacious living-dining-kitchen great room with high, beamed ceilings, wood-plank floors, a window seat, and sliding glass doors on two sides opening to gardens and patios. The kitchen has butcher-block countertops and quality appliances. Just outside is a covered patio for al fresco dining and barbecues, and a comfortable seating area around a fire pit. There's a well-established raised-bed vegetable garden, lovely flowering trees, a hammock, and string lights. The main house has three bedrooms, including a primary suite with built-ins, a walk-in closet, doors to the patio and the side yards, plus a bath with a soaking tub and large garden windows. Upstairs is a large bedroom with vaulted ceilings, a built-in desk and cupboards along two sides, a sitting area, and double-paned windows with mountain and ocean views. Near the pool house is a long swimming pool and spa with a wide sundeck for relaxing and entertaining. At the opposite end of the pool is a permitted skating bowl with sensational

ocean and mountain views. Finally, there is the gym. The property is landscaped and irrigated and has on-demand hot water, a Tesla charger, new HVAC system, Fleetwood windows, security system, and generous on-site parking, and is approximately one mile from both Zuma beach and Malibu schools.
