4 Bedroom, 3.00 Bathroom, 2,625 sqft

Residential on 0 Acres

N/A, Los Angeles,

One step into this extraordinary 4 bedroom/3 bath, 2625 sq ft house and you are no longer in a city but rather transported to the center of a magical forest. Oversized windows from floor to ceiling allows for the most incredible view to be visible from almost every room of this midcentury architectural triumph. With clean lines and simple design elements, this modern-day tree house lets the unobstructed view of Downtown Los Angeles take center stage and be the star of the proverbial show. However, function is not compromised for flash, in fact quite the opposite. The chef's kitchen boasts stainless top-end appliances, an abundance of convenient storage areas, an eat-in counter and pass through to the Family Room which makes entertaining a breeze. There is a corner office that utilizes windows for walls, ideal for daydreaming while waiting for inspiration to hit. The spacious bedrooms are also surrounded by lush natural beauty, the Master Bedroom leads out to a rustic deck nestled within the trees. The Master also has a huge walk-in closet, separate vanity/make up area and a glass enclosed, wholly private bathroom. Located a short distance to the shops and restaurants of Cheviot Hills, the Expo line and the award-winning Castle Heights Elementary school, this is a sophisticated and extremely special home. There is nothing like it in the neighborhood!

Built in 1959
