4 Bedroom, 4.00 Bathroom, 2,462 sqft

Residential on 0 Acres

N/A, Woodland Hills,

Panoramic views from the expansive backyard and the many windows of this two-story home will take your breath away! With thoughtful upgrades like renovated bathrooms, solar panels, living room projector screen and an extended viewing deck, this home meets all of your needs from the functional to the ethereal. Situated in prime Walnut Acres on the highest point of a neighborly cul-de-sac, this 4 bedroom home is built for making memories. Upon entry, you're greeted with multiple gathering spaces - a cozy nook under the stairs for pets or young explorers, a warm family room on one side and living room on the other. Enjoy indoor-outdoor living with the large slider to the gated and well-manicured side yard, snuggle up by the fireplace, and watch a movie on the giant projector screen. The screen disappears into the ceiling to allow seamless flow into the dining room, which offers incredible views of the backyard and beyond. The welcoming kitchen has a convenient breakfast bar and ample space for the best home chefs. A laundry room and 3/4 bath completes the downstairs, along with direct entry to a well-kept garage with built-in storage. All four bedrooms are tucked upstairs, offering views of greenery, hills, city lights and endless sky from every window. A convenient hall bathroom serves the secondary bedrooms upstairs. The primary suite is massive - an incredible place to relax and unwind. Look no further - this is the ultimate family home and dream resort all wrapped into one!
