Residential on 1 Acres

N/A, Encino,

Wonderful opportunity for an owner user to lightly renovate this gorgeous home with excellent curb appeal, nestled on a quiet cul-de-sac in prime Rancho Estates. Beautiful wide plank, real hardwood floors, soaring high ceilings in all the public rooms, stately brick wood burning fireplaces. Ideal floor plan, with three bedrooms adjacent to the primary suite, and the other side has a mother in law or maid's room that also serves as a great home office or gym. Large sparkling pool framed by towering mature trees, with a flat grade play area. Steps lead up a gentle slope to another large flat pad where you can envision your sports court, guest house, or entertainer's deck. An estate in-waiting, surrounded by much larger more expensive estates. Underbuilt reports you can build up to 7800 sf on this almost 1-acre lot.
