3 Bedroom, 2.00 Bathroom, 1,750 sqft  
Residential on 2 Acres

Lakeside, Lakeside,

Welcome To 11911 Rocosco Rd. in the highly coveted neighborhood of Eucalyptus Hills. The inside is draped in RECENT and beautiful upgrades, but so are a lot of homes out there. Let me tell you about what makes this home TRULY SPECIAL! It has a dream yard that will have you pinching yourself. The pool and spa were recently done by the owner pool builder so you know itâ€™s the best of the best. No corners cut here. Wide open beautiful panoramic views are complimented by the vanishing edge yard and freshly installed turf and hardscape in a unique hexagon layout. It looks expensive- because it was :) Below, the owner had a mini moto track! There is a separate driveway to the lower lot for access to build whatever your dreams are. Outdoor kitchen and giant covered patio make for a no-nonsense, low maintenance yard so you are ready to entertain at any time. I know the outside sells the house, but thereâ€™s more to love inside as well. The open kitchen overlooks the dining room, family room and coffee bar top. Double sets of French doors seamlessly connect the interior to the exterior. The large master offers an en-suite bathroom, walk in closet and walk in laundry room. Brand new HVAC plus all the ducting and an Owned solar system too! The gated entry adds additional security and privacy. And any desirable Eucalyptus Hills home wouldnâ€™t be complete without parking and storage for all your heart desires. Thereâ€™s a steel building for protected parking of RVs boats, toys, even

tractors. Additionally, there's a large barn for tucking away equipment and holiday decor! This is a must- see! All room measurements are approximate.

Built in 1959
