La Mesa, La Mesa,

This is old La Mesa charmer you have been looking for! This home is just a short walk to downtown La Mesa and it is sooo cute! The original hardwood floors are just GORGEOUS, brick fireplace with surrounding built in shelving and the home is light, bright and airy! The windows have been upgraded as well as all of the plumbing. The kitchen has new marble style counters, a breakfast bar, a Bosch dishwasher and informal dining. The formal dining room looks out to the beautiful, park-like yard. The yard is over 1/4 acre and goes past the first fence and there is plenty of room for an ADU. There are 2 lovely covered outdoor living spaces/patios in the front and the back. The bathroom has the coolest retro tile and a soaking tub. There is also a water softener and a tough shed!
