5 Bedroom, 3.00 Bathroom, 2,338 sqft
Residential on 1 Acres

La Jolla, La Jolla,

A rare opportunity in La Jolla! This single level, classic mid-century modern, ranch style home features 5-bedrooms and is set on one of the largest lots, if not the largest lot, on Sugarman Drive and cul de sac cross streets. The nearly three-quarters of an acre lot provides plenty of room for potentially expanding the living space! This home is on a quiet street with no through-traffic and provides ample open street parking. The property has a large front yard setting it back from the street and also offers sweeping, scenic expansive views to the east from the rear from its private backyard with two levels. Spacious rooms, abundant natural light, and high vaulted open beam ceiling. The well-designed floor plan with an open flow between the kitchen, dining and living room is perfect for entertaining. The fifth bedroom is in a private wing of the house with its own entrance and bathroom, perfect for an office use or guests. Other features include: direct access from house to garage (unlike all of the original houses in the neighborhood); due to the building of an extension, separate but connected living space/section of the house with independent furnace, water heater, outdoor access, drain plumbing for potential kitchen nook or bar sink, indoor laundry room, private undeveloped canyon, short, easy, non-impacted access to several nearby medical centers/hospitals. Situated in a highly desirable La Jolla neighborhood close to UC San Diego, Interstate 5, Shopping Centers, Schools, La Jolla Shores Beach, the Village of

La Jolla, and Torrey Pines Golf Course.
