La Jolla, La Jolla,

This 3-bedroom, 2-1/2 bath home is available for the first time since originally built in 1997. The home has been thoughtfully updated through the years, including the recently remodeled gourmet kitchen and guest bath. Upstairs, you’ll find peek ocean views from both the spacious primary bedroom and private balcony, as well as the second bedroom. Another 185sf (not included in the listed square footage) was added to the primary as a separate lounge or office area.
