To complete the kitchen, a

coffee bar and an expansive walk-in pantry. Additional conveniences include a stylish powder room and a private office tucked away for focused work-from-home days. Upstairs, a generous second bonus room serves as a secondary family lounge, accented by a custom paneled wall and built-in cabinetry. The primary suite is thoughtfully oriented to showcase sweeping canyon views. The luxurious en suite bath features rich marble finishes, dual vanities, a deep soaking tub with marble surround, and a grand walk-in shower with both rainfall and standard showerheads—creating a spa-like experience. A large, custom walk-in closet with ambient lighting. Just beyond the bathroom, a covered private balcony provides the perfect perch overlooking the peaceful canyon below. The second level is completed by three additional guest bedrooms, each with its own private en suite bath. The home also features both a two-car and a single-car garage, each outfitted with built-in cabinetry, overhead storage, and sleek epoxy flooring—offering a showroom-quality finish ideal for car enthusiasts. Additional upgrades include owned solar panels, a whole-house water softener, and a comprehensive water filtration system.
