The main

level offers a smart and functional layout with a spacious bedroom and full bathroomâ€”perfect for guests or multi-generational livingâ€”along with a laundry room and direct access to the three-car garage. Upstairs, the expansive primary suite is a true retreat, featuring a double-door entry, an extended sitting area ideal for a home office or reading nook, and a private balcony that offers sweeping views of the Vista and Fallbrook valleys. The luxurious en-suite bathroom includes dual vanities, a sit-down makeup station, granite countertops, a soaking tub, a walk-in shower, a private water closet, and a generous walk-in closet. Two additional bedrooms upstairs provide ample space and storage, while the loft/bonus roomâ€”currently used as a flexible living area with built-in cabinetry and plantation shuttersâ€”can easily be converted into a fifth bedroom, if desired. Set on an expansive 14,000+ sq ft lot, the backyard is an entertainerâ€™s paradise, featuring two covered patios, a large grassy area for play or gardening, and breathtaking sunset and valley views that can be enjoyed year-round.
