Clairemont, San Diego,

Investor's Dream on Rare Double Lot – Clairemont Hillside Opportunity Welcome to 6757 Thompson Court, a prime investment opportunity nestled on a quiet cul-de-sac in the highly desirable Clairemont neighborhood. This 4-bedroom, 2-bath home sits atop a 10,500 sq ft double lot, offering rare development flexibility and potential peek ocean views from its elevated hillside position. Zoned R-1: Single Family Residential, the property presents outstanding potential under SB 9's California's new housing law that allows qualifying lots to be split into two parcels and have up to two residential units per parcel. That's a possible four-unit development in one of San Diego's most central and in-demand areas. In addition, investors can explore the option of adding an Accessory Dwelling Unit (ADU) and/or Junior ADU (JADU), creating multiple income-producing opportunities or multigenerational living spaces. The large lot size and existing layout make this property a perfect candidate for redevelopment or expansion. The current 4BR/2BA home offers a solid foundation for renovation or rental while pursuing entitlements and plans. Located just minutes from freeways, beaches, shopping, and downtown, this property combines location, scale, and vision – an ideal canvas for builders, investors, or homeowners looking to create long-term value. Opportunities like this don't come often – build new, build more, or hold and grow.
