Residential on 0 Acres

Mission Hills, San Diego,

Fall in love with this Mission Hills gem - where modern upgrades, a building elevator, and an unbeatable location meet! This light-filled 2 bed, 2 bath condo boasts soaring ceilings and an open layout that lives larger than its 1,083 sq ft. The remodeled kitchen is a showstopper with quartz countertops, custom Pacific Kitchens cabinetry, Bosch fridge, Fulgor Milano range, Miele dishwasher, and Zephyr hood—all thoughtfully chosen by the sellers while living in the home (no builder-grade flips here!). Upper cabinets were removed to create a more open feel between the kitchen and living area, and the sellers added in-wall cable management for a clean TV setup and relocated the thermostat to the hallway, upgrading it to a Nest for smart climate control. The primary suite features a refreshed vanity and generous closet space, while the full-sized Miele washer and dryer make laundry a breeze. This unit comes with TWO coveted parking spots—an assigned space in the secure underground garage plus a private one-car garage (perfect for storage or your vehicle). Enjoy the vibrant lifestyle Mission Hills is known for—walk to restaurants, cafes, grocery stores, and more. Easy access to I-5 and I-8 makes commuting a breeze, but with this neighborhood, you may never want to leave. This is one of San Diego's coolest, most connected communities—and now, it can be home.
