Chula Vista, Chula Vista,

Presenting a truly rare and exceptional opportunity in northwest Chula Vista for developers, investors, or those dreaming of a private estate with immense future potential. This offering features a single-family residence situated on a sprawling 2.06-acre lot with water views, which was the subject of a previously approved, but uncompleted, 10-lot subdivision known as "Villas Del Mar". The existing 4 Bed, 3 Bath home provides immediate comfort and privacy, surrounded by vast open space. Live in or rent out the current residence while you finalize your vision for the remaining land. The expansive acreage offers a sense of seclusion that is nearly impossible to find in San Diego County. Unlock significant potential upside value with the extensive entitlements already in place. The City of Chula Vista previously approved Tentative Map Tract 04-06 to subdivide the 2.06 acres into 10 single-family residential lots. The property's General Plan designation is Residential Low Medium (3-6 dwelling units per acre), and it is located in the Residential Single Family (R-1-P6) zone, potentially supporting a multi-home development. This is a unique chance to acquire a substantial landholding with a clear potential development path laid out. Capitalize on the work already done, or create your own vision, and bring this opportunity of an exclusive Chula Vista enclave to life.

Built in 1951
