Beautiful Detached Home | VA & FHA

Approved | Priced to Sell! If you've been waiting for the one this is it. This 3-bedroom, 2.5-bath, 2,253 sqft detached home checks all the boxes: stylish, functional, and very spacious with three levels of thoughtfully designed living. On the main floor, you'll love the stone tile flooring that runs through the living, dining, and kitchen areas (goodbye carpet spills). The kitchen gets a boost with a chic tile backsplash, and plantation shutters frame the space with timeless style. Upstairs, all three bedrooms are on the same level (a big win). The primary suite feels like a retreat with a barn door bathroom entry, walk-in closet, large stand-up shower, and a separate impressively sized soaking tub that's basically begging for bubble baths. You'll also find a roomy laundry room and even a wonderful natural light-filled nook that works perfectly as a compact office or cozy reading corner. The top floor is where things really open up, a massive loft that's ideal as a second living room, game zone, or could easily be your 4th bedroom. TVs are already mounted on the first and third floors and will stay with the home, along with all of the appliances (yes, even the washer and dryer). Enjoy energy efficiency with leased solar! Smart upgrades? Each floor has its own thermostat for customized comfort, a tankless water heater, loads of storage, and a spacious 2-car side-by-side garage with overhead racks ready to handle all your œstuff. Step

outside to your own tranquil outdoor spaceâ€”just right for morning coffee or an evening glass of wine. And the perks donâ€™t stop at your front door. This community brings the resort life to you: pool, gym, playground, and beautifully landscaped streets. Youâ€™re also a quick walk to the sought-after Wolf Canyon Elementary School (parents know how big of a deal that is) and the well-loved All Seasons Park. This home has been meticulously maintained with true pride of ownership and comes with thoughtful extras like plantation shutters on the first floor, blinds and window coverings throughout, individually controlled thermostats on each level, and even mounted TVs on the first and third floors. All the major appliances conveyâ€”including the fridge, dishwasher, oven, washer, and dryerâ€”making move-in a breeze. To top it off, this home is not only stylish and functional but also an incredible value.
