La Costa, Carlsbad,

A brand-new, full-scale remodel elevates this La Costa residence into a showcase of craftsmanship, comfort, and contemporary design. Every detail—“from wide-plank flooring and custom millwork to ambient lighting and curated fixtures—reflects a cohesive, high-quality renovation that feels both modern and timeless. The main level offers connected yet distinct living, dining, and family spaces beneath vaulted ceilings and multiple fireplaces, creating warmth and natural balance throughout. The kitchen stands as the centerpiece, featuring premium cabinetry, quartz countertops, a full-height backsplash, and stainless steel appliances anchored by a large peninsula for casual dining. A glass-enclosed home office opens to the backyard, while a guest bath completes the level. Upstairs, the primary suite provides the comfort of a new build with a spacious bedroom, custom walk-in closet, and spa-inspired bathroom featuring dual vanities, a rainfall shower, and a freestanding soaking tub. Three additional bedrooms and two modern baths echo the same elevated finishes, complemented by a laundry room and built-in storage. New landscaping surrounds the home, and sliding doors open to a pergola-shaded patio with a fire feature, privacy planting, and low-maintenance hardscape. Additional upgrades include LED lighting, smart appliances, thermostats, and integrated smart TVs. Designer furnishings by Restoration Hardware and CB2 are available

separately. Less than a quarter mile to La Costa Canyon Park and minutes from shopping, dining, and Omni La Costa Resort & Spa.
