Residential on 1 Acres

North Escondido, Escondido,

This 1+ acre property has numerous features that set it apart from the rest. Three full bathrooms, two separate garages (tandem & standard w/ two storage rooms), primary bedroom w/ two walk-in closets and ensuite bath with shower, tub and dual vanities, and a 3000 sq ft steel building with 12ft walls and 10 ft roll-up door. The home was updated in 2014 by the previous owner with new windows, flooring and kitchen. The great room seamlessly flows from dining area into the living room with fireplace and the family room off the main entrance. Two outdoor patio areas, one covered with an outdoor countertop. Parking galore with the long driveway leading to a large flat pad in front of the two garages. Additional parking out back in front of the steel building. On top of all this there is still more space to grow into, both in front of the house and in the backyard. The home is serviced by a septic system, propane tank, and metered water hookups. Enjoy feeling removed from the city while having convenient freeway access and a quick drive into town for city amenities. Located just south of the Deer Springs exit off the I15 and a quick drive south to the north end of Centre City Parkway.
