Mission Hills, San Diego,

Stunningly updated Mission Hills townhome that offers a rare combination of modern upgrades, energy efficiency, and exceptional outdoor living. The home showcases dramatic vaulted ceilings, arched windows, and a flowing floor plan that connects the remodeled kitchen, dining area, and living room. The living room opens to a large, private terrace with sweeping views—an ideal setting for entertaining or relaxing. The primary suite is a true retreat with vaulted ceilings, a spa-inspired bathroom, and two private balconies that capture natural light and neighborhood charm. Upgrades include a remodeled kitchen with KitchenCraft cabinetry, Thermador appliances, and a gas stove, plus a luxurious primary bathroom with a freestanding tub, custom shower, and dual vanities. A deck conversion created a spacious walk-in closet, while another was reimaged as a private office with maple cabinetry. Energy efficiency is unmatched with fully owned solar installed in 2024—16 Panasonic panels with a 25-year warranty—keeping the average annual power bill around \$600 while charging two electric cars and running A/C in the summer. The roof was replaced in 2021, and a rare two-car garage provides convenience and additional storage. The \$525 monthly HOA covers water, trash, recycling, gardening, roof maintenance, high-speed internet, and exterior building upkeep. Perfectly located just minutes from downtown, the airport, Balboa Park, and Mission Hills™

charming shops and dining, this home blends sustainability, style, and an unbeatable location.
