Ocean Beach, San Diego,

Tucked into the heart of Point Loma Heights, this stylish single-level home is a true coastal haven. Remodeled throughout with an open floorplan and newer hardwood floors, it's ready to move right in. The show-stopping 2023 custom kitchen features Taj Mahal quartzite countertops and backsplash, an island that can seat plenty of guests, stainless steel appliances, and easy indoor-outdoor flow to the backyard—perfect for entertaining under the San Diego sun. The private primary suite is tucked away at the rear of the home and features a beautifully remodeled bathroom. Other upgrades include dual pane windows, a 2023 HVAC system (yes, it has AIR CONDITIONING), and low-maintenance landscaping on a drip system—including your own vegetable garden out back. The oversized garage off the alley is a rare find—already set up with a workshop and space for a car, it could be reconfigured to fit more vehicles, toys, or even your next project (ADU Potential). All this, just a short stroll into Ocean Beach.
