San Diego, San Diego,

Recently updated family home offering a 4-bedroom, 2.5-bath layout with just under 2,100 sq. ft., ideal for anyone looking for extra space. This detached property has no shared walls and sits at the end of a quiet street, providing added privacy. The exterior features fresh landscaping with new vegetation, a dry creek accent, and mulch placed throughout the planters. Vinyl fencing encloses the yard, while a covered patio—accessible through sliding doors from both the living and family rooms—creates a smooth indoor/outdoor flow.
