Coronado Cays, Coronado,

Beautifully remodeled from top to bottom in 2024, this property is stunning with all new flooring, counter tops, appliances, new AC & heat, window coverings and interior wall removal so the kitchen is open towards the living, dining and family room! As you walk into this property, you instantly notice the amount of natural light coming from all angles. The double height living room further invites you to enjoy this home indoors or flow to the outside through its sliding glass vinyl doors and take advantage of the large wrap around patio with both natural lawn and concreted areas. There is 1 full bedroom and full bath on the first level. The stairs lead you up to two very large bedrooms, the West facing main bedroom has a balcony that boasts beautiful views towards the Pacific Ocean and Point Loma in the distance. The main bathroom was reconfigured to be much more useful than the original floor plan with the tub being removed and large shower added. Again, natural light and high ceilings in the main bedroom make the space serene and welcoming.
