Carlsbad West, Carlsbad,

For the first time in 50 years, this iconic 1970s split-level hits the market- a true time-capsule treasure perched on the Seacrest Ridge of the coveted Olde Carlsbad Hills. Designed to embrace coastal light & panoramic views, the home opens with dramatic floor-to-ceiling, west-facing windows that frame daily sunsets & stunning ocean views (see Catalina Island on a clear day)! Inside, original architectural character shines: vaulted wood-beam ceilings, a striking mid-century floor-to-ceiling brick fireplace anchoring the heart of the home, & an airy, open flow that captures everything we love about classic California design. The spacious kitchen offers generous counter space, a large footprint, and endless potential for a modern re-imagining, while still maintaining the charm of the era. Roof is newer- Home is set on 0.3 acres of flat, usable land, the property delivers rare space and privacy for Olde Carlsbad. The expansive yard is a blank canvas with room for a pool, ADU, & gardens. A full horseshoe driveway provides effortless in-and-out access and ample parking. Homes like this rarely become available, especially ones so lovingly preserved. With its unbeatable location (2 miles from the beach), architectural soul, and postcard ocean views, 3365 Seacrest Drive is an exceptional opportunity to restore, renovate, or celebrate the timeless beauty of prime Olde Carlsbad living. An absolute gem.
