Valley Center, Valley Center,

An extraordinary opportunity to restore and reimagine a rare John Lloyd Wrightâ€™s designed residence, set against the natural beauty of Lake Wohlford. This architecturally significant home embodies Wrightâ€™s hallmark philosophyâ€™organic architecture, harmony with the landscape, and thoughtfully integrated indoor-outdoor livingâ€™offering a once-in-a-generation chance to bring a true piece of architectural history back to life. Rich with original design intent, the home features distinctive Wrightian elements including strong geometric lines, natural materials, expansive window walls, and a layout that blurs the boundary between structure and setting. The propertyâ€™s orientation and setting were clearly designed to engage the surrounding terrain, light, and viewsâ€™elements that simply cannot be replicated in modern construction. This is a total fixer, ideal for an architect, preservationist, or visionary buyer seeking to undertake a meaningful restoration or sensitive renovation. The value here lies not in cosmetic perfection, but in the irreplaceable design legacy and the opportunity to thoughtfully update the home while honoring its original architectural soul. Privately situated in a serene, rural setting, yet within reach of North County conveniences, this property offers the rare combination of architectural pedigree, privacy, and upside. For those who understand the significance of John Lloyd Wrightâ€™s work, this is more than a

homeâ€™itâ€™s a canvas, a legacy project,
and a chance to steward an important piece of
California architectural history.
